1. Parties

This Service Agreement (“Agreement”) is entered into as of `{EFFECTIVE_DATE}` between:

Provider: Webstar Business Services LLC (“Webstar,” “we,” “us”), Metro Detroit & surrounding Michigan communities · 248-564-3663 · ian@webstarbusinessservices.com · https://www.webstarbusinessservices.com

Client: `{CLIENT_LEGAL_NAME}` (“Client,” “you”), contact: `{CLIENT_CONTACT}`

2. Services and scope

Webstar will perform the **Custom Business Growth Package** services listed in the estimate reference and fill-in block above.

May include (only if listed): custom page count and functionality; third-party integrations, booking flows, or calendars; custom marketing materials; other estimate items.

Nothing is included by default beyond what this Agreement and the written estimate list. Attach or keep the estimate with the signed copy.

Not included

Anything omitted from the estimate, including future features, new locations, or new integrations requested after kickoff (those need a change order).

3. Client responsibilities

Provide in a timely manner: assets, access, approvals within **3 business days** of each review request, and any third-party accounts required by the estimate. Delays may push `{DELIVERY_DATE}`.

4. Timeline

Work starts after (a) signature and (b) first payment or pay-in-full (or agreed first milestone) clears, and (c) estimate scope is locked. Timelines are estimates, not guarantees.

5. Fees and payment

Item	Amount
Total project fee	`{PRICE}`
First payment	`{DEPOSIT}`
Balance / remaining	`{BALANCE}`

Default options: (1) **Pay in full** after signing, or (2) **50%** upon signing and **50%** when Webstar notifies Client that the **build is complete**. If “Other milestones” is checked, the written schedule above controls.

After the final balance clears (or if paid in full): Webstar **deploys** and/or hands off deliverables as scoped in the estimate.

Card on file: Client authorizes Webstar to keep a payment method on file (Stripe or specified processor) **until the full invoice amount is paid**. Remaining balance may be charged when due; Client will be notified. Card may be removed after paid in full (or earlier only if Webstar agrees in writing).

Invoices via Stripe (or method Webstar specifies). Third-party costs remain Client's unless listed as included. Work may pause if payment is overdue.

6. Revisions

Up to **two (2)** rounds of reasonable revisions unless the estimate states a different revision allowance. Extra rounds or major direction changes may be quoted separately.

7. Ownership

Upon full payment, Client owns the final deliverables for this project, subject to third-party licenses. Webstar may showcase the work unless Client objects in writing before launch. Webstar tools/frameworks remain Webstar's; Client receives a license to use them as delivered.

8. Build complete, deploy, and handoff

Build complete = Webstar notifies Client that scoped deliverables are ready for final review / pre-launch. **Deploy / handoff** occurs after amounts due at that stage are paid. After handoff, hosting, renewals, content updates, and security monitoring are Client's responsibility unless a separate support agreement exists.

9. Security and privacy

Webstar will take reasonable care with Client credentials and business information: no plaintext passwords in public repos; staging/auth for Webstar-hosted previews; secure channels for secrets when possible; project info used only to deliver this work; Webstar does not sell Client data. Client remains responsible for content legality and for customer data Client collects. After handoff, Client is responsible for hosting, backups, and ongoing security unless a separate support agreement exists.

10. Limitation of liability

Webstar's total liability under this Agreement is limited to fees actually paid for this project. No liability for indirect or consequential damages, or for Client hosting / third-party tools / Client content. No guarantee of rankings, leads, or business results.

11. Termination

Either party may terminate in writing for material breach uncured within **10 days**. If Client terminates for convenience after work begins, Client pays for work performed and non-refundable third-party costs.

12. Governing law

Laws of the State of Michigan.

13. Entire agreement

This Agreement, the written estimate (if attached), and any written change orders are the entire agreement for this project. Changes must be in writing (email is enough).
