---

5. Fees and payment

Item	Amount
Total project fee	`{PRICE}`
First payment	`{DEPOSIT}`
Balance	`{BALANCE}`

Options: (1) **Pay in full** after signing, or (2) **50%** upon signing and **50%** when Webstar notifies Client that the **build is complete** (final design files ready for handoff). After balance clears (or if paid in full), Webstar delivers final files. There is **no website deploy** for this package.

Card on file: Client authorizes Webstar to keep a payment method on file (Stripe or specified processor) **until the full invoice amount is paid**. Remaining balance may be charged when due; Client will be notified. Card may be removed after paid in full (or earlier only if Webstar agrees in writing).

Invoices via Stripe (or method Webstar specifies). Third-party costs (print, stock, etc.) are Client's unless listed as included. Work may pause if payment is overdue.

---

6. Revisions

Up to **two (2)** rounds of reasonable revisions. Extra rounds or major direction changes may be quoted separately.

7. Ownership

Upon full payment, Client owns the final deliverable files for this project, subject to third-party licenses. Webstar may showcase the work unless Client objects in writing before handoff. Webstar tools/templates remain Webstar's; Client receives a license to use them as delivered.

8. Build complete and handoff

Build complete = Webstar notifies Client that final marketing files are ready. Handoff occurs after the balance is paid (or immediately if paid in full). After handoff, ongoing use, printing, and updates are Client's responsibility unless a separate support agreement exists.

9. Security and privacy

Webstar will take reasonable care with Client credentials and business information: no plaintext passwords in public repos; secure channels for secrets when possible; project info used only to deliver this work; Webstar does not sell Client data. Client is responsible for content legality. After handoff, Client is responsible for how files are stored and shared.

10. Limitation of liability

Webstar's total liability under this Agreement is limited to fees actually paid for this project. No liability for indirect or consequential damages, or for third-party tools / Client content. No guarantee of leads, sales, or marketing results.

11. Termination

Either party may terminate in writing for material breach uncured within **10 days**. If Client terminates for convenience after work begins, Client pays for work performed and non-refundable third-party costs.

12. Governing law

Laws of the State of Michigan.

13. Entire agreement

This Agreement and any written change orders are the entire agreement for this project. Changes must be in writing (email is enough).
